

Cotton-rich pique

A textured, breathable base for branded team polos.

Material profile

Textured cotton-rich knit

Typical weight: 190–220 GSM

Best suited to

Team polos

Retail crews

Event staff

Care instructions

- Machine wash cool.
- Dry in the shade where possible.
- Steam or warm iron to refresh the collar and placket.
- Do not over-dry on high heat.

Buying note

Pique is a useful choice when a business needs a softer, more casual uniform layer that can carry print or embroidery cleanly.
