

Easy-care poly cotton

Crisp, practical, and ready for repeat washing.

Material profile

Balanced poly-cotton blend

Typical weight: 160–200 GSM

Best suited to

Corporate shirts

School daywear

Front-of-house uniforms

Care instructions

- Machine wash cool, ideally at 30°C.
- Tumble dry on low heat or line dry.
- Use a warm iron if required.
- Avoid harsh bleaching agents.

Buying note

Choose this base when a team needs a neat, uniform look with straightforward care across regular wash cycles.
